Abhivyakti

August 24

From Principals Desk

Dear Students, Teachers, Staff, and Parents,

As we begin this new month, I want to welcome you all to our school community. This month marks the month of independence and patriotism. This month was one filled with new opportunities, challenges, and experiences.

Our theme for this month is "Feel the patriotism" We aim to create an environment where learning thrives, and dreams take flight. We encourage our students to be confident, capable, and kind individuals who make a positive impact on our school community.

I would like to extend my gratitude to our parents and guardians for their unwavering support. Your involvement and active participation play a significant role in your child's success. This month our children witnessed different competitions like dance, skit, board decoration and many more and excelled with wonderful presentations.

Let's work together to make the coming month also unforgettable.

I wish you all a wonderful and successful academic year.

Best regards,

[S.Priyanka]

Principal

Independence Day

The day begins with a flag hoisting ceremony, where the national flag is raised by the school principal or a guest of honor, accompanied by the singing of the National Anthem.

A special **cultural program** is organized, where students perform patriotic songs, dances, and skits that highlight India's struggle for freedom.

In many schools, the day is filled with activities like **competitions** related to national symbols, essay writing, or drawing contests where students express their patriotism.

Krishna Janmashtami is one of the most beloved festivals in India, celebrated with great enthusiasm to mark the birth of Lord Krishna, the eighth incarnation of Lord Vishnu.

**SHRI
KRISHNA
GOVIND
HARE
MURARI**

One of the most exciting activities is the **Dahi Handi** (pot-breaking) event, which is often organized in schools. Students form human pyramids to break a pot filled with yogurt

Raksha Bandhan is a vibrant and heartwarming festival that celebrates the special bond between brothers and sisters.

On the day of Raksha Bandhan, the school atmosphere becomes festive, with decorations like colorful threads and posters adorning the classrooms and halls. Students tie rakhis on each other's wrists, symbolizing protection, love, and mutual respect. Though traditionally a brother-sister bond, in schools, the exchange of rakhis is extended to friends and teachers as well, promoting a sense of equality, affection, and inclusivity.
