Dear patrons/parents,

Greetings from SPS.....

We have come to the end of the year 2022 in a befitting way. From June 15 till 31<sup>st</sup> December , the school was buzzing with activities -both scholastic and non-scholastic.

December month is set aside for trips, excursion , sports activities etc. Grades 3 to 5 were taken to Chakote water park, grades 7 to 10 were taken to Dandeli to get students exposed to different adventure sports .Students need to get life time experiences.

Our students brought laurels in sports arena by winning many prizes. This is just the beginning. We need to work to make a significant mark in sports.

We look forward to receiving your patronage throughout.....

Warm regards

Principal, SPS
