JULY 22

## *Abhivryakti*

Dear patrons

Greeting from SPS.....🌞

It is more than a month since we reopened. Academic activities are in full swing. Students are excited to come back to their routine. Learning is happening in a joyful atmosphere. Thanks to the efforts of parents, teachers and students that we are now able to conduct academics without any obstacle.

July was the happening month as a lot of academic and co-scholastic activities went hand in hand. The highlight was - formation of student council. Students had the taste of democracy when they elected their leaders by casting their votes.

The age old culture of Maharashtra was well depicted through Dindi celebration at school. Students took out a rally on the streets in the costume of vithal and Rukumayi.

Regarding academic front, grade X results were declared. SPS recorded 88% results with Uttej Birajdar scoring 89.2 % and Saniya Bidri with 86% .

Ms. Kritika from ACT, our knowledge partner visited school and had interactions with teachers.

In addition, a lot of classroom activities in accordance with the concepts taught were carried out.

We look forward to bring to you many exciting news about the happenings of school in the coming months.

Warm regards

Gayatri Kulkarni

Principal, SPS

# Doctors Day

## Doctor's Day Celebration

SPS celebrated Doctor's Day with a lot of zeal and zest. One of the parents who is a doctor was invited as chief guest. She gave a talk on "how small life style changes can make big difference in life". Ms. Kritika, school success facilitator was also present during the occasion. Students gave greeting cards to the doctors living in their neighbourhood.

## Ashadi Ekadashi

Ashadhi ekadasi is a huge religious ceremony in Maharashtra. It reflects the culture of the state. The devotees of vithal called varkari's take pilgrimage to Pandharpur on foot singing and chanting Vithal , vithal and reach the abode of god. It is an occasion for school also to reverberate the same feelings of the devotees.

सुंदर ते ध्यान । उभे विटेवरी ॥  
कर कटेवर । ठेवोनिया ॥

## Gurupurnima

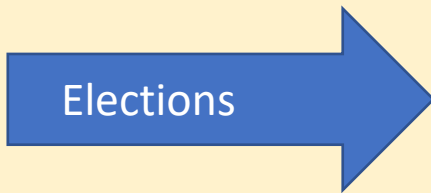

Gurupurnima was celebrated with great enthusiasm at SPS. It is the day dedicated to the great gurus who continue to inspire and motivate generations to tread the right path. The sangameshwarians celebrated it by offering flowers, greeting cards, and small gifts to teachers. There were various competitions held to commemorate the event.

PLANET A BETTER PLACE  
TO LIVE IN."

The students had a taste of democracy at school as they got an opportunity to elect their leaders through voting. This was done for the first time at school. The students from grade 5 to 10 cast votes in favors of their leaders. Earlier, they campaigned for two days urging the students to vote in their favors.

The leadership qualities of the students came to the fore as they selected their symbols, designed their logo and released their manifesto to grab votes. They enjoyed this exercise very much. It was also a great learning experience for them.
