

ABHIVYAKTI JULY-24

From Principal's Desk

Dear Parents,

As we review the month of July, I extend my warmest wishes to you all. This month was a month of great significance for all of us, as we celebrated auspicious occasions like - Ashadi Ekadashi, Moharam and Guru Poornima. Ashadi Ekadashi is the day of great cultural importance, marks the beginning of the holy month of Ashadha. Let us embrace the spirit of devotion, faith, and community service that this occasion embodies. Our students embarked this day with a delightful presentation, showcasing the sacred relation between GoraKumbhar and Lord Vithala. The arena was filled with applaud with the wonderful dance- drama presentation exhibited by the students of Grade 5-8. We also observed Muharram in this month of which signifies reflection, compassion and kindness.

The month of July was also added with a celebration of auspicious Guru Poornima, a day of reverence for our gurus and teachers. A day which reminds us of the invaluable role of the gurus in shaping the lives of students. Students expressed their gratitude and respect towards their teachers by offering a rose as a token of love and adoration.

As we celebrated all these special days, let us also remember the values of compassion, kindness, and selflessness that they represent. May these values guide us in our thoughts, words, and actions.

In the school, we will be organising various special events and activities to mark many such occasions. I encourage all students and teachers to participate with enthusiasm and fervor.

Wishing you all a blessed and joyful year ahead!
