Abhivvyakti

From Principals Desk-

Greetings from Sangameshwar Public School!

It's our pleasure to bring out our monthly newsletter 'Abhivvyakti' which carries events, programs, competitions and all the happenings of school.

The academic year 2022-23 began with a note of optimism with schools reopening without any hassle. After a gap of nearly two years, the educational institutions opened their portals for students. They are all geared up to begin the academic year with much gusto. The parents heaved a sigh of relief as now their kids need not sit glued to their mobiles. A period of gloom that kept the kids out of their second home is gone by the grace of god. Everyone now is looking forward to an unhindered, uninterrupted academic year.

We at SPS, made all preparations to extend a warm welcome to students to their second home. It is really heartening to see students coming in large numbers on the first day itself. In order to cope with learning loss, we have planned bridge course of 2 weeks. We are planning to begin regular curriculum from 1st July 22

We aim at developing the heart and mind of the learners in an environment of freedom, respect, love and affection at SPS. Our curriculum focuses on holistic development of learner in academic and co-curricular areas. It provides opportunities for developing skills, values and attitudes in the classroom and outside the classroom. The teaching learning practices are oriented towards self-learning, learning at one's space, ability and interest level. It is based on concepts and not the gross content. It is child friendly, value driven and related to real life.

To achieve all these, the management has put in their heart and soul in giving state-of-the-art facilities. We have tied up with Academy for Creative Teaching, Bengaluru for intellectual infrastructure. Our goal is to make school not just a center of learning but also a center of excellence. We hope to see the children that are educated at SPS have the heart of Buddha and the brain of Einstein.

Warm regards,

Gayatri Kulkarni
