

Dear Parents,

We have successfully completed the academic year 2018-19. The school is now gearing up for new explorations, innovations and many more things that will add on to the child's overall development. We hope that we continue to receive your unstinted support and co-operation in taking the school to newer heights.

We have many new parents that have now become a part of Sangameshwar family. We heartily welcome them to our family. All the Sangameshwar family members are requested to go through the following instructions.

- Timing of school : 9am to 3. 15 pm
- Saturdays : 9 am to 1pm ( first, third and fifth Saturday - bag less day for activities)
- **Second and fourth Saturdays are holidays**
- Send your kids in proper uniform 5 minutes before school timings.
- Wednesdays : colour dress
- Don't send toffees on the birthdays of your wards , instead send homemade things or fruits. Still better is to donate plants or books to school library.
- We will start our syllabus from 1<sup>st</sup> July'19. Now Bridge Course is going on.
- Whats app group of each class will be created. Kindly give your no. to the class teacher. Note that it is one-way.
- On Saturdays, kids wear sports uniform. Give the measurement to the PE teacher.
- Kindly visit our website regularly for updates. (sanps.in)
- We are going to have Science, Maths and English Olympiad exams. In addition, there's Spell Bee exam also. Interested parents can enroll their kids name. Circular will be sent regarding this from time to time .
- Pay your fees on time to avoid penalty.
- You can meet the principal only after 3. 30 pm.
- You can meet the class teachers on 2<sup>nd</sup> Saturday of every month between 10 am to 12 noon .

We hope that you continue to cooperate with us throughout our journey.

**Principal**
