- monthly news letter

From Principal's Desk

Dear parents

Warm greetings from SPS.....!

It is nearly a month since we reopened after I term. This month has been special in many ways . Our students are able to get a very good exposure. They are taking part in Inter-school competitions and winning laurels for themselves and school. This is a good sign for any upcoming school. I give the credit to enthusiastic students and supportive and committed staff.

The school looks forward to such initiatives from students and staff. This alone will take us ahead in our journey to make Sangameshwar Public School a unique one.

Regards
