From Principal's Desk

Greetings from Sangameshwar Public School !

We are a new age educational institution run under the aegis of Sangameshwar Education Society founded on timeless, old world values. Late karmayogi Shri Appasaheb Kadadi envisioned a kind of institution that caters to the needs of all. His farsightedness and vision resulted in the formation of Sangameshwar Public School. His legacy is followed by our honourable Shri. Dharmaraj Kadadi who dreams of taking this institution to greater heights.

We aim at developing the heart and mind of the learners in an environment of freedom, respect, love and affection. Our curriculum focuses on holistic development of learner in academic and co-curricular areas. It provides opportunities for developing skills, values and attitudes in the classroom and outside the classroom. The teaching learning practices are oriented towards self-learning, learning at one's space, ability and interest level. It is based on concepts and not the gross content. It is child friendly, value driven and related to real life.

To achieve all these, the management has put in their heart and soul in giving state-of –the –art facilities. We have tied up with Academy for Creative Teaching, Bengaluru for intellectual infrastructure Our goal is to make school not just a center of learning but also a center of excellence. We hope to see the children that are educated at SPS have the heart of Buddha and the brain of Einstein.

Warm regards,

Gayatri Kulkarni

Its our pleasure to bring out our monthly news letter 'Abhivyakti'. It carries events, programs, competitions and all the happenings of school.
